BEVER WATCHFUL

A Little Care Will Save Many Williamsburg Readers Future Trouble.

Watch the kidney secretions. See that they have the amber hue of health.

The discharges are not excessive or infrequent. Contain no "brick-dust like" sediment.

Doan's Kidney Pills will do this for you.

They watch the kidneys and cure them when they're sick.

Alfred H. Lister, Main Street, Williamsburg, Va., says: "For many years I was troubled by rheumatism and kidney complaint. There was a dull pain across my back and a soreness through my kidneys. The secretions from my kidneys were unnatural and too frequent in passage and at times the flow was scanty, while at others profuse. I tried many remedies, but did not find relief until a few months ago when I procured Doan's Kidney Pills. I felt a great deal better after short use and thus encouraged, I continued taking them until every symptom of the trouble had disappeared. I am glad to give Doan's Kidney Pills my highest endorsement."

Roxbury News.

Roxbury, Va., April 4—The baseball fever has struck New Kent. Several clubs have been organized, one at Quinton, with Mr. J. S. Saxby, captain; another at Roxbury, with Mr. T. K. Post as manager. This club is comprised of some of the best amateur players in the country. The following is the line up of the Roxbury team: T. K. Post, Gordon Atchison, W. P. Tunstall, Jr., Charlie Nance, George Major, Tom Bailey, Willie Taylor, Walter Major, Julian Major, Willie Bailey, Cleveland Nance, Grover McCann, Walter Nance, Edward Marston. This club is now in practice. Uniforms have been ordered and as soon as they arrive a match game will be played with Bradley's Store team.

Mr. James C. Talley and Miss Minnie E. Saxby, of Quinton who went on Mrs. Gill's cupid express Easter Monday and were married in Washington, D. C., returned home Friday. They will make their home near Roxbury where the groom is a prosperous young farmer. He is the youngest son of Mr. and Mrs. N. C. Tally, of Laurel Springs, and is quite a favorite, while his bride is the beautiful and accomplished daughter of Mr. and Mrs. Ed. Saxby, now of Magruder, formerly of Madison, Wis. Her beautiful christian character has endeared her to every one. She held the position as teacher in the public schools for several years, was an efficient teacher, beloved by both patrons and scholars.

The death of Mrs. J. A. Hesler, near Quinton a few days ago, cast sorrow over the whole community. She was taken to Richmond to the Memorial hospital for a delicate operation but she died before the operation could be performed. She is survived by her young husband.

Mr. Ramsey, who lately came here from Illinois apparently in his usual health, expired while sitting up in his chair a few night's ago. He is survived by his wife and one child. Kind neighbors comforted the bereaved widow. The body was buried in the cemetery at Emmaus church. The widow will make her future home at Highland Springs, near Richmond. A stranger among strangers, she never lacked for sympathetic friends.

Delayed Attention Costs Money.

Your house wears out if not painted. It costs more to repair it than it costs to paint it. It doesn't cost much to paint with the L & M Paint, because 4 gallons of L & M Paint and 3 gallons of Linseed Oil makes seven gallons of ready for use paint at a cost of about \$1.30 per gallon. You can mix yourself. Thirty-five years use in every part of the United States proves it. Atlantic City & Pittsburgh Fence Tests, made by the Master Painters Association, prove it.
